

# Claregate Primary School

## Sport Report for Parents / Carers April 2016

### Achievements

**Sainsbury's School Games Silver Award.**

**Aldersley School Sports Day Champions**

**2016 City Hockey Champions**

### What is Sport Premium?

In September 2013 the Government paid a special grant into school with the intention of boosting the Olympic legacy and improving sport provision in every school in the country. This funding has been sustained. This report is to inform you of the detail of our spending plans and how we intend to improve competitive sport and PE at Claregate.

**School Sports Income April 2016 DFE £9,660.**

**Total spend 2016/17 £9,662.39 (see red amounts later in this report).** None of these activities happened before the sport funding and are additional.

### Outcomes

- Children having the opportunity to participate in more sport in school
- Improved technical skills in sport through improved technical coaching
- Fun and enjoyment of sport and competition
- Increased ability to work as a team for a common purpose
- Better fitness in terms of stamina, strength, endurance and flexibility.

### Attainment

The school uses a web based assessment system called skills to achieve. This gives a summative view of children's achievements in sport and PE. The skills that improved the most were :-

Invasion techniques and tactical awareness.

Strategy within team games.

Passing and moving in invasion games.

Striking and hitting with accuracy.

## What have we done to achieve these outcomes and is “extra”

We have commissioned Lyndsy Rudge from “Fairplay” sports who we know as an excellent senior Primary specialist sports coach.

Financial Year 2013/14		
Improve ...	Purpose	Budgeted
... quality and variety of PE lessons. .... pupil progress in PE skills. .... quality and quantity of after school clubs. .... the amount of competitive sport that our children access at KS2.	Sports coach(es) to : <ul style="list-style-type: none"> <li>Participate in Games lessons across school (Physical Development in Nursery and Reception).</li> <li>Initially work alongside teachers to observe, then assist, then make suggestions for planning more exciting or active activities – therefore improve the quality of planning and provision.</li> <li>Provide model lessons, to act as professional development for the teacher.</li> </ul> Sports coach to run / assist in five after school clubs per week. Sports coaches to enter children into additional competitions based on the after school clubs e.g. athletics, cross country, hockey, tri golf.	£7,490
Ensure that all children can swim before they leave Primary school.	In addition to Year 4 lessons, top up swimming lessons for all children in Y5 and 6 who cannot swim 25m.	£200

In addition to this we will be maintaining current PE and Sport provision as below.

	Budgeted
Existing after school clubs.	No cost to school budget.
Soccer coaching 2000 provide 2 sports coaches per week to supply high quality PE lessons to Year 3 and 4.	£1,972 39
After school football club.	Funded by parental contributions.
Three sports coaches for lunchtime.	£21,340. This is not part of sport funding but provides significant investment in developing PE skills.
Year 6 sport mentors and “Change 4 Life” Aldersley School 6 <sup>th</sup> formers to lead some lunchtime sport in KS2.	Free

## Impact

Lynsey Rudge leads **joint lessons with teachers** and we are seeing the range of sports improve from traditional football, netball and hockey to **more varied sports** such as tag rugby, multi sports and “tchouck ball”. Lessons now include more rigorous skills acquisition before children move onto team games and coaching shows more specialist techniques.

Our teachers are developing their own **subject knowledge** by working with the sports coaches.

We are seeing an increase in the **amount of sport** that children do in school.

We have also seen a huge **rise in Competitive sports** against other schools increased to include Multi Skills, Netball, Quicksticks Hockey, Tag Rugby, Tri Golf, Kwik Cricket, Girls

Football and Rounders. As well as our own sports mornings we took part in a sports day competition at Aldersley School (and came first).

Children were trained up to lead “Change for Life” events at lunchtime for younger children. They showed much enjoyment while doing this.

The school achieved Sainsbury’s School Games Silver Award.

## Sport Club Summer Timetable 2016

### Sport Premium Funded After School Club,

Day	Club	Year Group	Club Run By
Monday	Multi Sports	Years Three & Four	Sports Coach
Tuesday	Rounders	Years Three & Four	Sports Coach
Wednesday	Rounders	Years Five & Six	Sports Coach
Thursday	Athletics	Years Five & Six	Sports Coach
Friday	Multi Sports	Years One & Two	Sports Coach

### After School Club, W/C

Day	Club	Year Group	Club Run By
Monday	Tri Golf	Years Three, Four, Five & Six	Fairplay (£9.00 for 6 weeks)
Tuesday	Cricket	Years Three, Four, Five & Six	Fairplay (£10.50 for 7 weeks)
Wednesday	Football	Year Three	Fairplay (£10.50 for 7 weeks)
Thursday	Football	Years One & Two	Fairplay (£10.50 for 7 weeks)
Friday	Football	Years Three, Four, Five & Six	Fairplay (£10.50 for 7 weeks)

Extracts from the Parent / Carer questionnaires 2011. Questions about sport specifically were not asked at this time.

Statements	Strongly agree		Agree		Disagree		Strongly disagree	
	Total	%	Total	%	Total	%	Total	%
The school helps my child to have a healthy lifestyle	33	35	56	60	2	2		

Extracts from the Parent / Carer questionnaires October 2013. This shows the post sport funding impact.

	Outstanding	Good	Requires Improvement	Inadequate	Don't know
My child is encouraged to live a <b>healthy lifestyle</b> at this school?	49%	47%	3%		2%

#### **Senior Leadership Team Commentary**

Free fruit is universally popular. Parents find letters about healthy lunchboxes very useful. Requests to issue a lunchbox policy cannot be enforced as it is not in a school jurisdiction – parents decide what their children eat but we can strengthen healthy lunchbox guidelines.

Puddings why are these given in school lunches – this is a Wolverhampton Council policy led by nutritionists and they judge meals to be well balanced.

**Action Points**

Re-iterate school policy about no sweets or fizzy pop in lunchboxes – main issue of policy that we need to address. Lunchtime staff to have a **list of pupils needing support** so this is not ad hoc – parents to notify us if they have concerns.

	Outstanding	Good	Requires Improvement	Inadequate	Don't know
My child has a wide breadth and high quality <b>P.E. and sport opportunities?</b>	43% Higher grades KS2.	39%	7%		6 mostly Reception 11%

**Senior Leadership Team Commentary**

Previous parental consultation re sports grant has helped us to build provision that people value. Provision for after school is stronger in KS2 than KS1 and EYFS. However we deliberately slant it this way - a very long school day is not always a good thing for younger children and they need to rest and have social time.

Swimming provision is limited by pool availability in the area – not resolvable at present and may even get worse if council / school funding becomes stretched. However we will concentrate on ensuring that all children can swim 25m.

New sports coaching is popular.

**Action Points**

New top up swimming for Y5 and 6.

Extracts from the Parent / Carer questionnaire February 2016.

My child is encouraged to live a <b>healthy lifestyle?</b>	44%	47%	6%	3%	
<p><b>Why?</b>  <i>Can tell the school reinforces messages from home. Loves eating playing and balance in school. Child talks about healthy choices as a parent but I don't know. Different types of food and Health assessments. Healthy snacks x4. Food tasting for health. Encouraged to drink x2 – toileting issue resolved. Lots of after school clubs x6. Physical activity encouraged x2. Talks about Healthy lifestyle. All good. Good strong messages. Drinks water in class.</i>  <b>Negatives</b> - No encouragement to eat healthily – see above. Still hungry after lunch – portion size. No encouragement to eat healthily or participate in sports.</p>					

My child has a wide breadth and high quality <b>P.E. and sport opportunities?</b>	38%	47%	6%	6%	3%
<p><b>Why?</b>  <i>After school clubs x4. Different fun activities x2. Child can tell me about this. PE twice a week. Helps with socialisation. Multi sports popular. Two after school clubs for Y1. Loves girl's football on a Friday. Loves this aspect of school and takes up opportunities. Enjoys. School goes beyond minimum requirements. Sports day good and having a school field is a positive asset.</i>  <b>Negatives</b> - PE is disrupted by Christmas play x2. More information about what they are doing needed x2. One indoor and one outdoor session per week isn't enough. Too young for PE and sport. Dance and martial arts should be taught after school. Would like a football team. Low income families cannot afford after school club charges. More extra-curricular activities for KS1 needed.</p>					
<p><b>Commentary for Sport Report.</b>  <i>Despite more sport being available and high popularity for what we have, since the last questionnaire (particularly at KS1), parent / carers would still like more after school events. Recent issues over certain clubs being unexpectedly full and children not being able to get places have caused some short term problems. We intend to <b>send out termly participation letters earlier</b> so we can plan a head for bulge demand i.e. more staff to run the club.</i>  <i>It is true that Christmas productions did get in the way of PE and we will <b>limit this</b> next year so there is more of a balance of what is lost.</i>  <i>We also need to signpost the PE curriculum more via the website – the information is there but people do not know how to access it.</i></p>					

If you want to see what your child will be covering in curriculum P.E. please go to the website, click the curriculum tab at the top of the page then Year Group Long Term Plans you will see all the coverage for all subjects including P.E.

If you have further comments about PE and Sport at Claregate, or if there is other information that you would find useful please let us know.

### **Sustainability of the Sport Provision**

The role of the sports coach is train staff in the delivery of PE lessons. We absolutely do not use sport premium for releasing teachers to do administrative, managerial or planning / assessment. They work alongside the sports coaches in lessons. When the funding finishes we will have trained staff to carry on the work that has been done in lessons.

When sports money finishes the school aspires to fund the after school provision itself and to maintain the amount of competitive sport that is done now.
